Our Speaker will be Simon Ridley, Head of Research at Myeloma UK who will be talking about Clinical Trials.

Sad News

We are sorry to tell you that Bryan Sayle sadly passed away on 4 January. Bryan had been a long standing member of the group and we shall miss him.

There were a large number of people at his funeral including many vets, which showed the high esteem in which he was held. We also learnt that Bryan had been a successful athlete in his younger days

We send our condolences to Yvonne and all the members of his family. We are delighted to know that Yvonne will still be coming to the group.

MYEWORD

Puzzles

We seem to have a bit more space this month so here are a couple of puzzles.

Trackword 6

E	R	E
F	D	N
F	I	T

Can you find the **9** letter word by tracking from one square to the next, going up, down, sideways or diagonally but only using each square once?

Answer in the next issue!

A different sort of puzzle!

What's the Time?

Four clocks are showing different times:

10:44 11:06 10:37 10:53 11:05

Only one of the clocks is showing the correct time, the others are 9 minutes slow, 16 minutes slow, 13 minutes fast and 12 minutes fast.

What is the correct time?

Answer in the next issue!

Mini Outings in 2019

At the AGM we agreed that the two mini outings this year would be for **Afternoon Tea at Summerseat Garden Centre** and the **Manchester Open Top Bus Tour**. We will agree dates at our next meeting so please bring your diaries!

Dr Rocci

A number of people asked if we could invite Dr Rocci back to talk to the group and we are really pleased to say that he quickly responded to Joan's request and, as you can see from the programme on the back page, he will be coming on August 13th.
